

MEMORANDUM FOR: Mr. Casey

Mr. Shakespeare's secretary called to say that unfortunately Mr. Shakespeare must be in California and will not be able to attend the semantics conference. He tried to rearrange his calendar but could not. Mr. Shakespeare tried to get George Urban to do it, but he is busy also.

Mr. Urban suggested that you try to get Leo Lebitz, Editor of Survey Magazine, who is very good in Soviet use of words for disinformation. Mr. Lebitz--(303) 447-9740
